THE BIGGEST

Uploaded Intelligence (μ)

Human knowledge + AI

At Ai People we use uploaded intelligence (μ) to:

- Replicate high-potential individuals
- Create the avatar of your brand
- Preserve the legacy of your grandparents
- Make knowledge accessible, measurable and transactionable, ready to evolve

Together we grow simultaneous knowledge networks

$$\mu_1 + \mu_2 = \Sigma$$

Collective intelligence

The future is monetizing knowledge

Common platforms consume your time and don't generate value.

You upload knowledge with μ
Once in your avatar, it works for you and the world forever

UPLOADED

A Network of Possibilities

Your avatar will live in the UI Store, an endless catalog of talent where thousands can find you, learn from you, or connect with your services.

This is a digital asset that will grow in value, as it continues learning

Monetize your knowledge, μ works for you

Interact with your clients, followers and workers 24/7

Preserve your family legacy

Grow the value of your AI asset while it learns more
